

Tumbling: As you are now aware, there are no tumbling competitions in WA this year. So we are running 4 'in house' competitions at the end of each term. Can you please return your entry forms ASAP to Pete, or if you have not received one see Pete.

Our levels 4 and above in Tumbling are entering National Clubs in Brisbane in Aug 2013, so please get the paperwork in ASAP as we have to start booking and paying for accommodation etc.

The in house competitions are open to all recreational and competitive trampoline and tumbling athletes and some of the competitions are to help raise monies to travel interstate to National Clubs.

We have to provide judges for all competitions and do get fined if we do not have the correct ratio of judges per athletes. If you are new to the gym and wish to learn more, please drop me an email. Failure to provide the correct amount of judges will result in fees rising for competitions. So get involved and support your children.
