Our qualified coaches have many years of experience and are able to help you with any particular skill you may want to learn. Improve your flexibility, fitness, strength, co-ordination, confidence and skill level.

Classes run Mondays 7.30-9pm for gymnastics, trampoline and tumbling, and Thursdays 7.30-9pm for trampolining and tricking only.

Cost \$25 per session.

There is an additional fee of \$80 per calendar year for GWA affiliation with sports injury insurance which is compulsory after 3 trials. The cost then goes down to \$20 per session once paid.
