1. Competitions and Housekeeping

In August 2012, twenty High Flyers athletes went to Brisbane to compete in the Trampoline and Tumbling National Club Championships. They had a great time and were the top club in WA for trampolining and tumbling. Coming in as the 8th best in Australia. Congratulations to Kayla Nel who came home with a silver medal in tumbling. Special mention to these athletes who made finals in their competition: Jordan Creed, Damian Draper, Sophia Kemp, Kayla Nel (2 events), Keara Nel, Connor Scotland, Elliot Stratton, Jade Woodhouse (2 events).

A Special Thanks to all of the parents who attended for a holiday!!! Many Thanks and a Special Mention to Lesley Tunstead in charge of catering.

Congratulations to Jayden Cooney who is representing Australia in the Indo Pacific Competition in October for trampoline and double mini.

Congratulations to Aiysha Wigley (1st), Emma Spence (2nd), Harley Connell-Davies (3rd) at Loftus Challenge competition. A Special mention to Juss who has now retired after 15 years competing for High Flyers. We hope to see her for many years coaching.

Congratulations to Chelsea Trifon (3rd), Katie Oxley (2nd) and Kat Norton (3rd) in the club levels Competition.

Please be courteous when parking, do not just stop and drop. Park up and keep within the bays to maximise the use of the car park. Or, if you want to stop and drop, do so on the road and walk through the staff car park. It is getting very dangerous especially between 3.30-5.30pm, we do not want to have accidents!!!! Do not use the staff car park even for dropping off. There is ample available parking around the gym.

Please make sure children wait indoors for collection, not outside.

We are always on the lookout for coaches for recreational gym, kindy, trampolining or tumbling. If you are interested in learning more about it, please see Tony or James.

Judges are desperately needed for competitions. Please see Tony, James or Mel if you are interested or would like to know more about what is required. The more we have the less everyone will need to do! As we receive fines if we don't provide the right numbers for each competition, please have a good think about becoming a judge to prevent an increase in competition fees to cover the costs if we do not have enough judges.

If you have any skills that you may think would be of benefit to the gym or café or you would be available to cover holidays etc please forward your CV to lynn.manning@highflyerswa.com

3. Kindy and Tumbling Classes , Cafe requests

Kindy

If your child turns 5 in 2013 they need to get their names on the waiting list for after school classes, as they will get priority. The trampoline and gymnastics is split. They can join the recreation program the term they are starting full time school as long as they have previously attended at least one term of kindy gym classes.

We are looking at new options for 4-5 years as school ages change as of 2013. Please see Kylie if you have any ideas for next year and beyond.

Café

The cafe is a part of your gym and are open to requests for any special dietary needs or input as to what you would like to see as part of the foods or drinks that we offer. Please see cafe staff if you have any suggestions. Junior staff are also required. All interests to lynn.manning@highflyerswa.com

Tumbling

Tumbling sessions will be ceasing at the end of this term. We are searching for a new Head of Tumbling and will contact you as soon as we fill this vacancy. Thank you for your understanding and we hope to resume these classes soon.

4. Staff news, price increase and Any Other Business

Our High Flyers Stars!

Well done to the following High Flyers employees!

Employee of the month-May: Elliot Stratton

Employee of the month-June :Becky House

Employee of the month-July: Talysha Jessop

Lost Property and drink bottles

Can you please make sure you chase up any lost property; we usually have at least one bag of lost property each term. This is donated to a charity if still there at the end of term. It is located by the ladies toilets. Also the same with drink bottles. They are located between the toilets on top of the pigeon holes.

Fees for Families

Competitive parents please make sure your fees are paid by the 10th of each month. We still find ourselves chasing fees every month. Thank you to all who pay their fees on time, saving a lot of administration time.

If you wish to pay directly into our bank please see reception for our banking details.

Please be reminded that the competitive level groups for the 2013 competition year, will be arranged before the end of term and you will receive notification as to what they will be. The fees for all will also be rising, the new fee will be with your notes. Please amend your bank details if you have set up monthly payments.

All recreational fees have risen and this is on your re enrolment paperwork.

There is a sibling discount if two or more kids from the same family living at the same house train. Add the total hours up, look at that fee, take off early bird of \$10 per recreational child and this is the fee they pay.

If you have one or more training at competition levels and one or more in rec, then you pay for a 9 week term for recreational payments. Still take the \$10 off per child for recreational only for early bird.

You can always email Emma or ask at reception if you are having trouble working out the payments.

If you have paid too much this term, there is a credit available This will be noted on the re-enrolment form for term 4.

Some of the enrolment forms have still not been handed in. Please complete and return if you have one with enrolment papers.

Finally:

“You know you're a Gymnast When...

You are on your hands as much as your feet

The gym becomes your second home

You become a master in the field of hand health care

You fall asleep in splits

You use chalk more than you use soap

You hear football players complaining of 'turf toe' and laugh at the simplicity of their foot problems”
