Welcome to our Spring 2013 Newsletter!

The last day for recreational athletes is Saturday 27th September returning from 14th October 2013. Competitive athletes please see your coaches for your break times.

Please email any gymnastics photos we may use to go on our fantastic website. The website designed by one of our parents has on average at least 500 visitors per week,

Please be courteous when parking as it does get very crowded. The busiest times being between 3.50 - 5pm weekdays. Do not park in the staff car park or pull into the staff area to drop children off. We have had complaints from parents nearly being run over whilst walking to the front door due to too many cars in the area of the front door.

All children must wait indoors until a parent has collected them. If you are going to be late please ring so your child will not be worried.

We look forward to seeing you at High Flyers Trampoline and Gymnastics Academy.

Re-Enrolment's

Recreation athletes should have received a re-enrolment form from your coach. Please return the re-enrolment form fully completed, providing correct emails and mobile numbers, as these are our preferred way of communication. Please check your fees payable as there might be a credit from overpayment in term 3, due to you, or an underpayment required from term 3. This form must come back to reception along with your payment.

3. Kindy, price increase

Kindy

If your child turns 5 during term 4 they need to get their names on the waiting list for after school classes, as they do get priority, or please write on your re enrolment form.

The trampoline and gymnastics is split. They can join the recreation program the term they are turning 5 as long as they are already enrolled in the kindy classes. They may also stay in the kindy program until they start full time school if preferred.

We have changed the ages of the kindy class, you may now start when walking. The kindy rec starts from 3 1/2 years of age to school age. See Kylie our head of kindy if any problems.

4. Other News

James Keatley

It is with great sadness to announce that James Keatley has resigned from High Flyers and is moving onto pastures new. James has been involved in the gym from childhood, training for gymnastics, through to being an integral part of the High Flyers team for all of his adult life. Good luck from everyone both past and present and a big THANK YOU for all the hard work you have put in at High Flyers. His last day is Friday 27th September 2013.

All lost property and drink bottles are bagged up weekly and given to charity at the end of each term, so please chase up any before it is too late.

Price Increase

We have increased our fees for recreational squad by \$1 per hour, starting from term 4 2013 through to end of term 3 2014.

The competitive fees have also risen by just under \$1 per hour for the 2 hrs training down to 45 cents per hour if training 18 hrs per week.

As we all know the price of electricity and general wages has hit us hard. We have tried to keep the rise as low as possible. We aim to offer good quality coaching at affordable prices. We also like to keep a good ratio of coach per athletes in each class so you get value for money.

Please make it clear if paying via the internet who the payment is for and what it is for, ie the activity, home school/gym/trp/kindy etc. We have over 1000 athletes and as you can imagine if they do not say what they are for it might result in fees not being allocated correctly.

We are always looking out for new judges and any staff for High Flyers. If you are interested in joining our team please see reception or email me on highflyers1@bigpond.com.

We have to provide judges for all competitions and do get fined if we do not have the correct ratio of judges per athletes, \$100 per judge. This will result in fees rising for competitions if we cannot provide enough judges. The more judges and volunteers we have the less you have to do. The coaches need parental support at competitions, so they can focus on coaching the athletes.
