Welcome to our Summer 2013/2014 Newsletter!

The last day for recreational athletes is Friday 20th December returning 3rd February 2014. Competitive athletes please see your coaches for your break times, generally first two weeks of holidays off, and returning Mon 6th Jan 2014.

Please email any gymnastics photos we may use to go on to our fantastic website. The website, designed by one of our parents, has on average at least 500 visitors per week,

Please be courteous when parking as it does get very crowded. The busiest times being between 3.40 - 5pm weekdays. Do not park in the staff car park or pull into the staff area to drop children off. We have had complaints from parents nearly being run over whilst walking to the front door due to too many cars in the area of the front door.

All children must wait indoors until a parent has collected them. If you are going to be late please ring so your child will not be worried.

## 3. Kindy, GWA insurance

### **Kindy**

If your child turns 5 during term 4 they need to get their names on the waiting list for after school classes, as they do get priority, or please write onto your re enrolment form.

The trampoline and gymnastics is split. They can join the recreation program the term they are turning 5 as long as they are already enrolled in the kindy classes. They may also stay in the kindy program until they start full time school if preferred.

We have changed the ages of the kindy class, you may now start when walking. The kindy rec starts from 3 1/2 years of age to school age. See Kylie our head of kindy.

## 4. Other News

### **Lost property**

All lost property and drink bottles are bagged up weekly and given to charity at the end of each term, so please chase up any before it is too late.

### **New Staff**

We would like to welcome Peter Abbott to High Flyers who is running the boys level 4 plus program, also junior coaches Aimee D'Crux, Emily Duffield, Katie Oxley, Charley Potts, Shanayea Salamone, Zaylee Tyler, (all either ex athletes or present athletes at High Flyers now coaching.)

### **Drinks**

We are asking the athletes for competitive groups to now take their drinks to their coach and they will put them in storage bins and take them onto apparatus with them. The children must keep up their fluid intakes, especially during the hot weather.

### **Enrolment Day**

We will be holding an enrolment day for all on the waiting list on 14th December 2013.

Everyone on the waiting list will be informed of the date of the enrolment day nearer the time.

### **Re-Enrolment's**

*\*enrol by 7th December and receive your \$10 discount*

Recreation athletes should have received a re-enrolment form from your coach. Please return the re-enrolment form fully completed, providing correct emails and mobile numbers, as these are our preferred way of communication. Please check your fees payable as there might be a credit from overpayment in term 4, due to you, or an underpayment required from term 4. Re-enrolments forms and payments need to be in to reception by Saturday 7th December along with full fees\*, as your spot will be filled.

### **New trampolines**

We have invested, in a new trampoline predominantly for the competitive athletes. This is in the middle of the three trampolines (highest part of the building!) and is only to be used by competitive athletes. This is very different to the trampolines used by the recreational athletes.

### **GWA Insurance for athletes.**

GWA insurance monies will be due for competitive athletes from 1st January 2014. It will be \$100 per athlete for the calendar year. You will not be able to compete and will not be insured unless this is paid. They can be paid any time from now on. Recreational athletes GWA insurance will be paid termly.

### **Judging**

We are always looking out for new judges and any staff for High Flyers. If you are interested in joining our team please see reception or email me on [highflyers1@bigpond.com](mailto:highflyers1@bigpond.com).

We have to provide judges for all competitions and do get fined if we do not have the correct ratio of judges per athletes, \$100 per judge. This will result in fees rising for competitions if we cannot provide enough judges. The more judges and volunteers we have the less you have to do. The coaches need parental support at competitions, so they can focus on coaching the athletes.
