2014 Trampoline Sport National Club Championships

The High Flyers Trampoline sports team has just returned from a freezing cold Hobart, Tasmania. Where the team competed in the 2014 Trampoline Sports National Club Championships.

This year High Flyers sent a team with a lot of new and young faces to this event. However everyone stepped up to the mark and jumped incredibly well ! High Flyers athletes had over 85% completion rate for all routines and passes which is a fantastic effort! This Helped High Flyers earn the position of **6th best trampoline sports club in Australia for 2014 !**

Below is a list of the finalists and medalists:

- Andrew Sumner 1st place level 4 male tumbling
- Andrew Sumner 2nd place level 5 male trampoline
- Lachlan Robertson 2nd place level 5 DMT
- Jayden Cooney 3rd place level 9/10 Female DMT
- Kayla Nel 3rd place level 4 Female tumbling
- Connor Dique 5th place level 6 male trampoline
- Jayden Cooney 5th place level 9/10 female trampoline
- Lakiesha Bardsley 5th place level 4 female tumbling
- Liam Jeans 6th place level 6 male DMT
- Connor Dique 6th place level 7 male DMT
- Greg Boyle 8th place level 4 male trampoline
- Maddison Hyde 9th place level 4 female tumbling

This is a great mix of athletes making finals and winning medals spread across all 3 disciplines ! So a huge well done to everybody involved in this years team !

However a special mention must also go to Jayden Cooney. Jayden was part of a 5 strong team who also competed in the national squad and senior world championships trial on the Friday night in Hobart.

On DMT Jayden performed incredibly strongly and posted a senior ladies world championships qualifying score. She is the first High Flyers athlete to do this ! Jayden is now in for a nervous wait until selections are announced! We would all like to wish Jayden the best of luck in this selection!

Also a special mention to Andrew Summer for coming 8th overall athlete at the competition. Well done.

Thank you to all the coaches, judges and parents who attended and made this a memorable competition in the cold! Let's hope it is somewhere warmer next year!
