We need help designing a new shirt and tracksuit for High Flyers. We are using www.captivationsteamwear.com.au If you want some ideas head to there.

The colors of jade, black and white must be incorporated, plus the logo (as above) on the jacket and shirt. This must be able to be worn by all athletes, do not make it discipline specific.

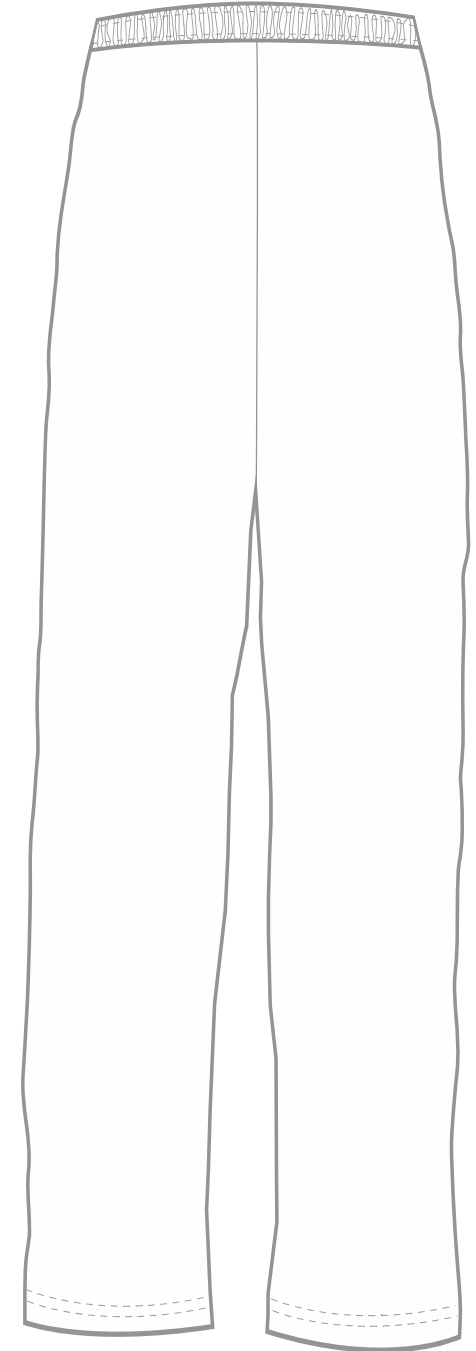

Designs need to be in to reception by May 31st 2018.

Good luck and please photocopy if you need more copies.

The winner will receive a new shirt with their design on.
